The following presents the main activities in which our affiliated society was involved with during the year 2015, and up to the first two months of 2016.

Events & Activities

The design of our web site was improved, which now includes an additional 'Contacts' section.

Publications & Media

SAMAC bought more than 600 Montessori books in Spanish from the Montessori-Pierson Publishing Company. These were distributed mainly among the students in the Mexican training centres.

The organisation of our XXI MEXICAN MONTESSORI CONGRESS held in Guanajuato from February 25 to 28 was a success, with over 550 participants. Among the speakers were Philip O'Brien, Silvia Dubovoy, J McKeever and Eduardo Cuevas. During the Congress Silvia Dubovoy's work was recognised and awarded for her impressive career in the global Montessori Movement.
